Summary

Full-Stack Developer skilled in React.js, Node.js, Express.js, and MongoDB, with hands-on experience developing responsive web applications, REST APIs, authentication, and database-driven features. Strong foundation in JavaScript, DSA, and software development fundamentals.

Education

- **Uttarkhand Technical University-** *Btech in computer science and Engineering* **2023-2027**
- **Magadh university-** *Intermediate* **2020-2022**
- **Bal Vidya Niketan** - *Matriculation* **2019-2020**

Skills

Programming Languages: C,C++,Java,JavaScript,SQL

Frontend:HTML5,CSS3, React.js

Backend: Node.js, Express.js ,REST APIs, JWT Authentication, API Development

Database: MongoDB,MySQL

Core CS: DBMS, OOP, Operating Systems, Computer Networks,Data Structure and Algorithm,Software Engineering,AI

Tools: Git, GitHub, VS Code, Postman, Thunder Client

Soft Skills : Communication, Multitasking, Time Management,Problem solving, Adaptability

Projects

- **Enterprise Resource Planning Management system|** *React.js, Node.js, Express.js, MongoDB, Mongoose*
 - Developed a full-stack ERP management system using React.js, Node.js, Express.js, and MongoDB to centralize business operations.
 - Built responsive React.js interfaces and integrated RESTful APIs using Node.js and Express.js for frontend-backend communication.
 - Implemented authentication, authorization, CRUD operations, database integration, and business workflows usingMongoDB and Mongoose.
 - Deployed the application online with an integrated frontend, backend, and database architecture.
- **Job Portal|** *React.js, Node.js, Express.js, MongoDB, Mongoose*
 - Developed a full-stack job portal using React.js, Node.js, Express.js, and MongoDB for connecting job seekers and recruiters.
 - Built responsive interfaces for job searching, filtering, job posting, and application management.
 - Developed RESTful APIs and integrated MongoDB for managing users, job listings, and applications.
 - Implemented authentication, role-based functionality, and CRUD operations across the recruitment workflow
- **Influencer Portfolio|** *HTML5, CSS3, JavaScript*
 - Developed a responsive influencer portfolio website using React.js, HTML, CSS, and JavaScript.
 - Built reusable components to showcase profile information, featured content, collaborations, and social media links.
 - Designed an engaging, mobile-friendly UI with interactive elements and optimized user experience.

Work Experience

Full Stack Developer Intern| Stockfinz – Remote

Apr 2025 – Jun 2025

- Built web application that is responsive front-end interfaces with secure database operations, ensuring a seamless user experience and reliable site performance.

Associate Software Engineer Intern| Krishnova LLP– Remote

Jun 2026 – Aug 2026

- Developed responsive web application and built **REST APIs**, database operations and frontend-backend integration.
- Debugged applications and collaborated with the team to deliver project requirements.

Certification & Achievements

- Technical ideathon Certification - IIT Roorkee
- Web Development & Python Programming Certification - IIT Bombay
- Smart India Hackathon -Participant
- IEEE Member & Volunteer in College Events
